

Organic Chemistry

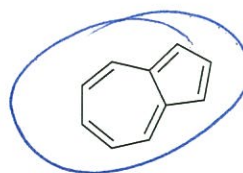

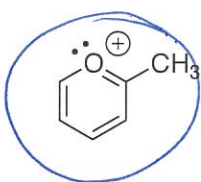

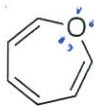

Homework

Name: Key

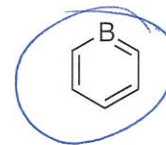

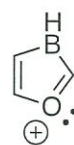

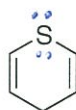

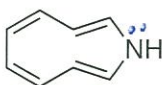

Due Date: Oct. 23, 2017

Circle the molecules that should exhibit aromatic character (obey all rules for aromaticity). This is a ten-point homework assignment. Each row is worth 2 points, and that point will be earned only if the entire row is correct. Once graded, you will have one opportunity to resubmit and replace your grade.

ROW 1

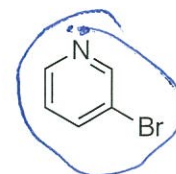

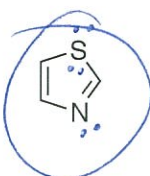

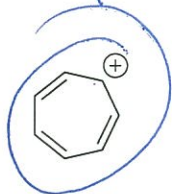

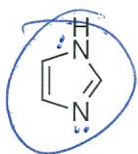

ROW 2

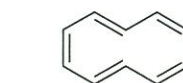

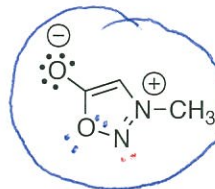

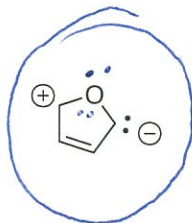

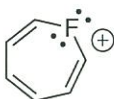

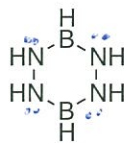

- too floppy
- not planar

ROW 3

ROW 4

- too floppy
- not planar

ROW 5
